

From the Editorial Desk

Journal is the medium to share and showcase the scientific content and will be made available to the readers. We, at Basaveshwara Medical College & Hospital, Chitradurga, are delighted to announce that our journal "*International Journal of Preclinical and Clinical Research*" under the patronage of His Holiness Shri Shri Dr Shivamurthy Murughasharanaru has been initiating the journey to contribute to the scientific community in the form of publication.

International Journal of Preclinical and Clinical Research (IJPCCR), is an official peer-reviewed, open-access, indexed journal published quarterly. This journal will help the researches of this and other institutes to publish their work. This will cover all specialties of medicine.

Aim and scope of our journal is

- To publish the researches with respect to the subjects of preclinical and clinical research, and
- To provide a rapid turn-around time possible for reviewing and publishing and to disseminate the articles for research, teaching and reference purposes.

We accept all forms of scientific communications like original research article, case report, review articles, case series, educational articles, letter to the editor etc. In addition we welcome the clinical trial and ethics related articles.

With a hope that our effort will benefit all those involved in health care including undergraduate and postgraduate students and researchers alike. We strive hard to maintain a good quality content that will widen our understanding about the drug and the disease.

Wish you all a very happy, healthy and safe new year.

Dr. Prashanth G
Dean & Professor of General Medicine
Basaveshwara Medical College & Hospital
Chitradurga, Karnataka
